Finnigan ("Professor Confidence") provides technical descriptions, accompanied by Bruce Edwards' illustrations, of 25 juggling routines. He discusses how to attain proficiency through practice and how to work up an act that incorporates unique elements. He discusses what constitutes "plagiarism" of another person's act and offers suggestions on performing at schools and how to involve an audience. For the budding professional or the just-for-fun amateur, an encouraging, inexpensive guide. A list of resources includes juggling equipment, videos, festivals, and performers. Denise Perry Donavin
