I like the what I could see of the book . The pages was glue together and had to rip apart and Didnt get to use the book. Not happy with order.

My third graders, of all reading levels, love this book. I mean, come on--mummies and pyramids with loads of images. The Usborne books are great at presenting the info in a graphically pleasing way without trivializing the information. The lower level readers can still get a lot out of it, while the higher level readers don't reject it as too easy.

Hey! Hey! Yay! You! Have you ever read a book that tells about people wrapped up in cloth?This is the book for you. Read about it. Theres x-rays of the mummies. The page is thirty-four.It shows you what their foot, head and the case that the mummies went in when they died. It also tells about a woman who is about 1,300 years old. She has colthes about 4,000 years old. Recommened for

ages 8 and up. By Jasmine

This book is really good it tells you about ancient Egypt. It will help you write a book review to. It tells you about Cleopatra and how mummification was done

I have found this book very useful for schoolwork, but I couldn't find it for my Source List! But in the end my friend, Grace, came through and found it on .com! Thanks Grace!
