Customer Reviews

All the information you need to master the computerized CPA exam! The most effective system available to prepare for the CPA exam; proven for nearly forty years

Timely; up-to-the-minute coverage for the computerized exam. Contains all current AICPA content requirements in auditing and attestation Unique modular format; helps you zero in on areas that need work, organize your study program, and concentrate your efforts Comprehensive questions; over 3,800 multiple-choice questions and their solutions in the four volumes.

Covers the new simulation-style problems. Includes over 280 simulations Complete sample exam in auditing and attestation Guidelines, pointers, and tips; show you how to build knowledge in a logical and reinforcing way Wiley CPA Exam Review 2013 arms test-takers with detailed outlines, study guidelines, and skill-building problems to help candidates identify, focus on, and master the specific topics that need the most work. "I wanted to say I bought just the four books by Wiley for each CPA section and took all 4 parts of the exam in May 2009. I studied for about half a year, and I PASSED ALL 4 PARTS ON THE FIRST TRY!!! 95% REG, 88% FAR, 82% AUD, 81% BEC. I am very excited and happy that these books alone helped me pass!" ; Gabriela Adriana Mandiuc, Boerne, Texas OVER 750 QUESTIONS AND 55 TASK-BASED SIMULATIONS!

O. RAY WHITTINGTON, CPA, PhD, CMA, CIA, is Dean of the Driehaus College of Business and Kellstadt Graduate School of Business at DePaul University. Ray is a former member of the AICPA Auditing Standards Board and the AICPA Accounting and Review Services Committee. He is also the coauthor of Audit Sampling: An Introduction, Fifth Edition, available from Wiley.

This book doesn't help you in any way to highlight the highly tested areas. While knowing everything is the key, remembering all of it is more difficult than you think. Like Becker, that gives you a lecture on everything, then highlight the highly tested areas, Wiley just jumbles some information in a book. BECKER is the best!

Great price for book. Truly helped me understand how to tackle multiple choice questions for Auditing exams in my graduate program. Some of the questions were almost identical. Arrived quickly.

Cheap and in great shape. Used it to do well in an audit class

I made a 99 after previously failing the exam. Get this, do the questions, and check the AICPA's

recently released test questions, which you should be able to find for free online, likely from a Becker link. Cheapest way to prepare for the exam.

Nice book!

This will be a great book to help me study for the CPA exam.

Boring. Buy cpa excel to study

Not enough to get you ready but it does offer a different perspective on the material and it is laid out little different than some others.
