Mel Bay Rhythmic Aerobics: Drum Set Beats And Fills For Today's Musician

Synopsis

A drum set instruction manual for beginning to intermediate students aimed at perfecting the drummer's timing. When used as part of a regular practice routine, this book will improve timing and provide ideas on creating your own fills. Provides practical application for playing the entire drum set including the small, medium and floor tom. You will be surprised at the many combinations you can create from the written parts of this book.

Customer Reviews

Jim Ryan started his drumming career at age six when he began studying snare drum technique and learning to read music in Tampa, Florida. In 1976, at the age of 14, he began years of snare drum lessons with Bill Rathbun, a former member of the Denver Symphony Orchestra. He also studied with members of the National Association of Rudimental Drummers at the University Of Wyoming. Jim is a best selling author with Mel Bay Publications. Since 1979 he has performed and recorded with numerous bands in various musical styles throughout the Midwest and South of the United States. He has published 5 drum instruction books as well as over thirty snare drum solos. Jim is currently teaching, recording and performing in the St. Louis, Missouri area.

Very interesting book, I particularly enjoyed practicing the sextuplet section in the back.

Perfect for daughter
