Solo Time For Strings, Bk 1: Cello

Synopsis

Note: This book is for Cello. Because a fine orchestra depends on fine players, Solo Time for Strings emphasizes individual accomplishment, progress, and achievement while preparing young students for participation in a school orchestra. The series teaches reading in conjunction with note learning, enabling students to start playing melodies as soon as possible, and is appropriate for class or individual instruction. The solos assist in a progressive technical development from "twinkle, twinkle" in Book 1 to music by Vivaldi in Book 5.

Customer Reviews

Just what the teacher recommended.

Love it!

When I ordered this item, what shipped was Solo Time for Strings for Bass Book One (which is also available under a different item number and description). does not apparently sell Solo Time for Strings for Violin Book One (although they sell Book Two). The description here is completely incomplete. I'm giving the product three stars, because it might be some use for a bass student, but it's no help for a young violinist.

I chose the book, because they were the same style I had when I was a girl in school, I thought they

might help get back.

I ordered Solo Time Strings, Book 1 (Violin) and sent the version for Cello... sucks!!!!!! Use Barnes and Noble!!!!!!
