Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #10,089,825 in Books (See Top 100 in Books) #63 in [Books > Health, Fitness & Dieting > Alternative Medicine > Chelation](#)

Customer Reviews

Chelation therapy is rather old, and safe when applied according to clinical practice. This book is a classic one, and exposes the earlier results and dwells into some of the "politics" of such treatment. A good list of references is provided that one can actually follow or look up for further details.
