Mermaids (A Stepping Stone Book(TM))

Synopsis

For thousands of years, people have claimed to have spotted mermaids in the waves and on the rocks. Some were beautiful with long flowing hair and lovely voices. But other mermaids liked to drag people down to their watery homes and eat them! If you thought mermaids were just pretty ladies with scaly tails, think again. There is more to these mythical creatures than meets the eye! From the Trade Paperback edition.

Customer Reviews

I bought this purely on the fact the Mel Grant is the illustrator and I love his work. Also I am obsessed with Mermaids and love finding new Mermaid art for my collection. However the only good illustration is the cover. The rest of the illustrations are not worth it at all.

I like this book because it is very interesting and magical. And I believe in mermaids and I would love to see one. And I LOVE the SEA.

My 5-year-old is just learning how to read and she is loving this book. Recommend to other parents of young children.

Bought this book for my 10 year old daughter and she loved it. Sure it wasn't the longest book ever but she love the pictures. She and one of her bffs are obsessed and I mean obsessed with mermaids

This is a great book it is a very interesting book and I couldn't put it down good job Lucile Recht Penner

I love this book and this book was great! I even saw one with a shiny turquoise tail and another mermaid next to her with a purple tail

VERY GOOD AND EDUCATIONAL IN A WAY BUT IT DOESN'T TELL WHAT IS THE TRUTHABOUT MERMAID STORIES AND SIGHTINGS I'VE SEEN AND HEARD

Well-written, easy and fun to read, this Stepping Stone Chapter Book will appeal to all readers. The chapters are intriguing ("Marry Me" caught the eye of one third-grader), and Penner includes all the facts to be had on mermaids, as well as mermen. The illustrations are colorful and complement the subject matter, and the information is presented in a captivating way which provokes young readers to think things out for themselves. If Columbus recorded he saw a mermaid, well, did he? And are mermaids then real because Columbus said this? Get the real scoop on mermaids--the good, the beautiful, the bad, the ugly--and become inspired to read more about these intriguing mythical creatures.
