Customer Reviews

Carried this with us all over London. It was lightweight but packed with information! Wish this was available for more cities. The fold out maps were great to use and the tube map in the back was a great addition. We went to Geales on the Notting Hill map our first night and it was amazing! Great food at a very reasonable price and we would never have found it otherwise. Will buy one of these again next time we go to one of the cities covered. Michelin, keep up the great job!
