softcover book

The book was said to be new, I was very disappointed. It is paper back, 196 pages and I paid \$10.26 plus postage. I didn't mind that, It was said to be new,,,,,well it is far from being new. The pages are yellowed, some are bent over at the corners and the spine has a tear. Not at all as advertised.

You cannot go wrong with A W Tozer, He is solid and Biblical. He backs up all his teaching with Scripture--book, chapter, and verse. Also he is so easy to follow, easy to enjoy reading, not dull and dry. I highly recommend this book.

A.W. Tozer wrote several wonderful books and The Attributes of God is one that I cherish very much.I ordered eight copies and each book arrived in good time and in nice condition. Thank you!

Whew! You just don't top A.W. Tozer! I thoroughly enjoy his frank setting forth of truth, his straight

shooting style is refreshing and coming away from this gifted man's writing...I know, and therefore love, God more. Buy it! Read it! It is more than worth your time!! :)

Great Book, brought a deeper understanding of who God, and my faith. The book was in great condition and I will be able to pass it on to someone else.

Very good! Well written and it definitely helps you to understand what the title says, the Attributes of God.

love it

Great book by one of the best theologians.
