## Customer Reviews

"This Is Some Of The Best Anime Styled Character Art You Will Ever See....The reason why Kuvshinov's work is so highly regarded in Japan is that his style is pristine in the extreme. With partial undertones of Kazuma Kaneko in places, he draws his figures with almost photo-real precision." (Ollie Barder Forbes.com)"Ilya Kuvshinov has been creating his own unique brand of manga-influenced illustrations with both a photographer's and a cinematographer's touch." (DJ PANGBURN Creators by VICE Media)

This book is really cute and contains so much art by Ilya Kuvshinov. It's quite a small book, but it has so much beautiful stuff inside. The text sections of the book are also written into Japanese with an English translation next to it. I do really really love this book and I'm so happy I bought it!

Beautiful! Amazing artwork! It was nice to see the steps/ process to some of the art pieces and sketches that Ilya Kuvshinov drew on the train. Only thing that would make this better is if the artbook was hardcover.

I am such a fan of Ilya and was very happy this came out. I love to look at it everyday to give me inspiration to continue to draw.

Really love his style. This is one of the best art books I own now.

I love you, Ilya.

i love this artist and the book
