Thinking About Jail And Prison Ministry; A Guide For The Lay Volunteer

Synopsis

Larry Nielsen entered jail and prison ministry after a career in law enforcement. That background gives Larry a unique perspective on corrections ministry. Larry currently serves as a volunteer lay chaplain in the Hamilton County, Ohio corrections system, and is the CEO of Believers Behind Bars Correspondence School of the Bible.

Customer Reviews

This is newer book on Prison Ministry and it is a welcome resource for the layman person or Pastor/Reverend thinking of expanding into Prison Ministry. It has become on of my shelf book favorites when I an training new pay persons in Prison Ministry.I highly recommend this one, along with a few others

Thinking About Jail and Prison Ministries is a tiny book about a weighty subject. It is written for

those of us who are considering entering prison ministry. It lays out four basic areas in which the lay minister volunteer can minister behind bars - praise and worship ministry, lay chaplaincy, event ministry, and correspondence ministry. Neilson describes what each of these ministries involves and provides insight that might help a volunteer decide where he/she is called to work. The book is very high level, but very appropriate for the newcomer. As I enter into the world of prison ministry, I feel that I will return to this book again and again.

User friendly guide. I am interested in jail ministry as a lay person and found this guide a good introduction. Easy to understand, logical advice with interesting stories and examples. I will refer back to this book often.

Very helpful with my correspondence prison 'ministry';...

I learned about prison ministries and was surprised about how important this services is.

Worth reading. Relates many stories and principles which will assist you in improving.

It was for a class

I found this book to be practical in its approach and a very handy guideline for those who are involved in prison ministry. I enjoyed reading it.
