Customer Reviews

This book has brought a great wealth of clarity and insight to God's prophetic timing and seasons, even while reading it, I personally was going through every month the things spoken about in this book, God's timing is indeed perfect and we must always seek to walk in His perfect will no matter the circumstances or situations we are facing. Brilliant read! I truly recommend to those who are hungry for Him.

Great understanding on advancing the Kingdom of God.

Have had this book for years and bought this for my daughter. Fantastic book with information for Hebrew tribes, months of Hebrew calendar and the effects in one's life.

A must have to understand the timing of God's people rather than Greco-roman time frame.

Wow, wow and wow! This is very good teaching for anyone interested in God's timing and His plans to bless the world through the Jewish people. The application of the teachings of this book are life-changing.

Wow this book was so eye opening and is changing how I view things from Gods perspective!!

This book is the best one out there, it will teach you how to understand months and tribes; how to walk in the blessings released to the tribes, and the blessings of first fruits. A must for every mature believer in Christ, and to all Jews. PLEASE TRANSLATE THIS BOOK TO SPANISH !

This book opens up so much understanding to where we need to be in Him and to know His timing. Great insight.
