Poznan's colorful Old Town Square is full of people and performance art from morning till night. See chapter 10. Detailed maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors

Journalist, photographer, and freelance writer Mark Baker has had a deep interest in Central Europe since receiving a degree in International Affairs at Columbia University in the 1980s. He currently lives in Prague, Czech Republic, but is a frequent visitor to, and a big fan of, Poland. In addition to writing guide books, he is a contributor to The Wall Street Journal Europe and National Geographic Traveler, among other publications. Kit F. Chung is a Malaysian-born freelance writer who has been based in Warsaw since 2001. Poland is her first encounter with a former "Iron Curtain" country. Decoding her adopted home has been made fun and easy by Poles who

tolerate her incessant inquisitive questions on anything and everything Polish. Kit contributes regularly to local and international publications on all things Polish, covering food and travel (naturally) as well as people, culture, art and designs.

It was what I hoped for and arrived in goof shape.

This is a wonderfully comprehensive guide book. It was a great help on my trip to Poland. I have looked at others and this was by far the best.

Haven't been there yet, but extremely well written and perfect for pre-planning trip. Covers all areas of interest with usual maps, history etc

Frommer's guide to Poland is, as are most of their titles, an excellent introduction to a complex culture, a very starting place for a traveler.

I was disappointed with this book. It had too much on hotels and restaurants in Poland. As a Travel Consultant for over 25 years, I find my clients usually tour with tour companies which have prearranged hotels and restaurants. I am going next summer with a group and I was interested in finding things to see in our free time. There was not much of that in this book. purchase.
