Customer Reviews

For a quick take along guide this was great. We made it to all 10 sites. Would have been nicer to have exact addresses of the places. Guide only gave the zip code area. All were within easy walking distance. We never needed the taxi or tram.

It has very limited information...good as a list but I hoped to get more background both historical and how to organize a trip.

I liked the top ten list. Very simple and brief. Now I know what to check out when I visit.
