## Synopsis

Tired of the typical boring guides? This guide tries to do the same as the Ã¢ ¸“ask a localÃ¢ ¸•, but it is (maybe!) better organized and more complete. In all our guides, we hire a Ã¢ ¸“localÃ¢ ¸• writer, and then we edit to be sure that the guide is complete, unique, fun and interesting. Typically we wonÃ¢ ¸“t add maps or photos (just a few), since you can have all that on the internet, and we like to give you only unique and original content that you wonÃ¢ ¸“t find easily. Here is a brief description of the guide: Main Attractions At Universal Studios Main Attractions At Islands of Adventure Main Attractions At The On-Property Hotels Main Attractions At Citywalk Main Attractions For Harry Potter Fanatics Main Attractions for People Who Love to Eat Seasonal Attractions at Universal Orlando Resort Planning a Trip to Universal Orlando Resort Insider Tips On Staying Safe and Healthy Insider Tips On Ticketing and Other Entry Costs Insider Tips On Traveling with a Family Insider Tips On Traveling as a Couple Insider Tips On Traveling with Friends Insider Tips On Traveling Alone Download Today! ## Customer Reviews

Really disappointed with this. \$2.99 was to much to pay. Perhaps if you have no clue about Universal this might help you decide to travel there, but beyond that....no way. How about a map. How about how we should go about seeing the park in way that does not have us in line all day. What rides are busiest in the mornings or afternoons? How about some actual local insight? Etc. Etc. Etc. I want my money back!

This book is so amazing. Best place to take my son and family with me for fun and entertainment. As I read this book I learned that Disney World is a place where people of all ages can have fun. There are many rides and attractions in just one Disney World. A fun thing for kids to do while at the Disney theme parks is to collect autographs from the various Disney characters. All in all this is fun blast place for my son and family. By reading this Travel guide I was attracted to the places identified in this book. Now I was thinking maybe I would book a vacation for me, my son and my husband this upcoming new year. I will be noting all the places in this book travel guide for me to know where places we would go. I'm sure my family love to see this place.

Good overview for first-time visitors. I would have appreciated some strategies to minimize queuing time for popular rides/shows: time of day/week/year that is best and best food/drink value.

What a fun book! Just in time as I'll be heading there with my boyfriend this summer. Very informative and a bargain for the price. I'll definitely have this on my smart phone during my trip. A good read!

All you need to know about universal studios is in here. Tips for ticketing, etc. most importantly don't forget the water bottle and the sunscreen--Florida sun is no joke.
