Customer Reviews

Its funny, last year, my ol' man said he wanted to hug a sloth for his birthday...we called the zoo and they said NO because apparently they have a tendancy to be agressive. So when I saw this, not only did I laugh a little to myself, but I ordered it. Knowing full and well he would love it...and he did. Thank you. Whoever came up with this idea...thank you!

Got this as a gift for my husband who loves sloths and is currently deployed. It's so cute and I love how you can "adopt" it and pick a name for him or her! Fun and cute! Makes an amazing gift for any sloth lover!

I received this as a gift from a Chinese gift exchange, and decided to give to my cat since it is about the right size. Turns out it makes a great cat toy because it is his favorite, he plays with it all the time.

This is cute but beware...it's TINY! I was expecting it to be bigger but I guess I should have read the description more closely. It's palm-sized.

Who doesn't want to hug a sloth?

This cute little guy was a happy addition to a gift for a "sloth lover" in the family.

Mini Size. Wasn't sure looking at the listing. This is a mini sloth. Super cute.

Adorable. Will make a great stocking stuffer for my sloth loving stepdaughter! Until we can find a real one... :)
