## Customer Reviews

Dude, you expect to make money out of too easy and superficial work. No tourist wants to hear about 10 sights only. And to top it all many books in your collection are badly written with little to no proofreading. Your choices for the cities I'm familiar with directly were lame. It all sounded like amateur writing with content gathered randomly from the webs. And you have no pics, no culture&society tips, no info on transport or etiquette.
