## Customer Reviews

Overall, I really love this note. The cover feels like a matte rubber, kind of. I'd expected cardboard like an actual composition book, but this is better. However, the staffs are really small. I don't mind that too much, but I'm sure others would find that to be a problem. Other than that, it's great.

Lines too small and close together. Otherwise great quality.

PRETTY GOOD FOR JOTTING DOWN IDEAS
