Operating In The Courts Of Heaven: Granting God The Legal Right To Fulfill His Passion And Answer Our Prayers

Synopsis

Why do some people pray in agreement with God's will, heart, and timing, yet the desired answers do not come? Why would God not respond when we pray from the earnestness of our hearts? What is the problem, or better yet, what is the solution? I believe the answer is found in where our prayer actually takes place. We must direct our prayer towards the Courtrooms of Heaven and not only the battlefield. I believe that it is in the Courtrooms of Heaven where our breakthroughs can be found. When we learn to operate there we will see our answers unlocked and released. This book will teach you the legal processes of Heaven and your place in it. When we get off the battlefield and into the courtroom we can grant God the legal right to fulfill His passion and answer our prayers.

A life saver. An answer to why prayers have not been answered. A new sense of the authority Jesus gave us and how to apprehend it. A revolutionary must for every believer.

This is one of the most important books that I have ever read about effective prayer. It opened my spiritual eyes to so many things. As a Christian, a lawyer and an intercessor, it resonated with me on so many levels. At this time in our history, it is truly a needed revelation to the Body of Christ.

This book is amazing and answers the question, "Why are my prayers not being answered?" So few understand that God's Kingdom is a kingdom with laws as well as privileges. God is righteous and just and He responds based on these two factors. The devil is an accuser and he is always bringing accusations about us to God. Many of these accusations are un-refuted because we don't even show up for a defense! If you don't show up for court you lose! This book shows us God's legal system and how to defend yourself against Satan's accusations. Once we understand this fundamental principle the heavens can begin to LEGALLY move on our behalf! This is a MUST read for EVERY serious believer!

This book is awesome, however it is not for the novice or those who are not in a relationship that is ongoing and progressing with our Heavenly Father. It takes the intercessor from warring on the battlefield into the courts of heaven and watch God's decrees and judgments go forth. Thank you God for giving those revelations to Robert Henderson.

Amazing insight into the courts of Heaven. Robert Henderson takes you right into the little known courts of heaven. This is where the accuser, Satan, is putting us on trial before God, the Father. The knowledge that Robert gives you is to change your thinking. We need to be more heavenly minded and a little less earthly minded. What goes on in the spiritual realm affects the earthly realm. Once we understand us we have better tools to live a more successful life.

God has already worked in response to proper protocol in the Courts of Heaven in a number of areas I was praying about. I totally agree with Robert Henderson about not going to the battlefield first but entering into the Courts of Heaven first. I had to repent of former teaching I received about spiritual warfare because some of it didn't line up with Scripture. The more I study Scripture, the more I see the value of our present day priestly ministry in the Courts of Heaven.

Truly a book that addresses a practical reality in the Body of Christ, that it is more common than not for prayers to go unanswered. Robert Henderson shows why and reveals secrets to getting prayers

answered. You'll have to change if you want the benefits, but I'm convinced this book really holds major keys to the destinies of Christians. I know it does for me, and I've seen people get major miracles who have learned what's written herein. Awesome!

Great book! Anything that brings me to the word of God is good. If you are an intercessor you need to read this book, if you need prayer for your family you need to read this book, if you have prayers that are unanswered you need to read this book.
