Barbara Grunes and Virginia Van Vynckt are the authors of The Very Merry Cookie Party.

The book was in great condition! Exactly what I needed. The recipes are wonderful and this is going to be a fun project to do with my nice and daughter this Christmas. Super excited about it.

The book itself is very pretty and I love the idea of it. My kids enjoyed lifting the flaps on the cover each day. The recipes were only so-so though. I tried a few and ended up giving up because our old stand-by's are better and I didn't want to waste my time and ingredients for cookies that were just okay.

Great gift for my girls. Tradition that I give my girls a book for Christmas every year. They thought this was one of the best.

OMG best book ever. Loved the idea and bought more to share. Great gift

Beautiful book, simple enough for a novice but sophisticated recipes, that impressed the discerning. Gives weight and volume measurement. Beautiful, elegant photographs. I couldn't be happier. Swift shipping.

A really neat book. I love advent calendars and baking. This combined both to a tee! I haven't made any of the recipes but they look really good.

Once you open the advent windows, they will never fully go back down, so having the windows on the cover is a little frustrating.

Got this for my 6 yr. old nephew for Christmas. He loved opening the windows and they made most of the recipes. Love this book!
