Customer Reviews

I love love love her writing style.

As summer's end rapidly approaches, I have taken out this wonderful book yet again. Nobody helps a homemaker experience the true joys of a season like Alison May of Brocante Home. Seasonal living is the ultimate way to maximize life. Alison's book gives us a way to incorporate work as soothing ritual. When a home keeper finds happiness and serenity in the tasks that enhance a

home, she has discovered the art of everyday joy. I have loved these books and this author for many, many years. I love this book and recommend it from the bottom of my heart!

Always enjoy this author's work. She has a true gift.
