Homer Box Set: Iliad & Odyssey

Synopsis

Homer's Iliad and Odyssey are unquestionably two of the greatest epic masterpieces in Western literature. Though more than 2,700 years old, their stories of brave heroics, capricious gods, and towering human emotions are vividly timeless. The Iliad can justly be called the world's greatest war epic. The terrible and long-drawn-out siege of Troy remains one of the classic campaigns, the heroism and treachery of its combatants unmatched in song and story. Driven by fierce passions and loyalties, men and gods battle to a devastating conclusion.

Customer Reviews

Good classical read.

Great Book. the Reader could have toned down the acting.

Enjoyed

I am in the process of listening to the audio tapes of the Odyssey and find it fascinating to listen to while I am traveling. I read the book many year ago and this is more meaningful listening and make traveling enjoyable. I highly recommend listening to the book in this fashion.

The cd is well donr but the reader overacts. He makes it difficult to listen for more than a few minutes at a time.

An excellent reader, and a very 'listenable' translation. I rather prefer a more archaic translation, but this makes it easier for younger listeners to grasp.

I had trouble listening to the narrator. Some of the names were mispronounced and he sounded rushed.
