I'm a huge fan of The Gray Whale Inn cozy mystery series and, for that matter, of this fabulous author! Karen MacInerney caught my attention several years ago when my husband and I were traveling to our Maine summer camp. It's a long drive from Florida so to get myself into the vacation mind set I started reading the Gray Whale series. It is a great collection of light reading, packed with fun and page turning "who done it" mystery. You feel like you would enjoy having her characters as

friends and Cranberry Cove would be a great place to live. At the end of each book there's always a handful of recipes that Nat whips up for her guests at the B&B. Now, to have them all in one collection is heaven for me! I have personally made everything in this cookbook and every recipe always comes out perfect. My guests will gobble down every last crumb and ask for the recipe. Karen also has several more hit mystery series with Dewberry Farm being another of my favorites. She's got my vote for the next "Queen of Suspense"!!!

It's Hatch Chili time in So California. My family had a perfect day. We started with Wicked Blueberry Coffee Cake and ended the day with Chilly Night Hatch Chile Stew for dinner even tho it was a warm summer night. I love, love, love the recipes. They are easy for even the least experienced cook. The recipes are fun for any level cook. Eating the food is a memory making experience. Yummy!

I enjoyed reading the Gray Whale Inn Mysteries, they each had recipes that pertained to the story and were included in the books. This book has the recipes from each mystery. I can't wait to try them.

Love the series, love the recipes - now conveniently located in one place. While I can't go to Cranberry Island I can easily enjoy the delicious food prepared for guests at the Gray Whale Inn. Any fan of the series needs this. Any fan of a smart cozy mystery who enjoys cooking needs to read the entire series and this cookbook. I plan on baking tomorrow!

This is an exceptions book of recipes. They are all recipes from her Gray Whale Inn mysteries and all sound delicious. I can't wait till her next book comes out. It is always a surprise to find out what situation she has got into next.

The Gray Whale Inn is like an old friend. The recipes are to die for. Do yourself a favor and dig into the Gray Whale mysteries. I am hoping Hallmark produces these books into a series of movies.

This book brings together the most delicious recipes featured on the gray whale series. Just reading them will make your mouth water. Can't wait to try them all

Loved, loved loved this cook book!!!
