# PSI Real Estate Practice Exams For 2015-2016

## PSI

Real Estate Practice Exams  
for 2015-2016

*Jim Bainbridge, J.D.*

## Synopsis

This book is designed to help you prepare for and pass the national PSI real estate exam. Four complete 80-multiple-choice-question practice PSI exams, with detailed answers given for all of the questions, will allow you to assess your strengths and weaknesses and to hone your test-taking skills before exam day. This book also contains: a comprehensive review of the real estate math that you are expected to know for the PSI exam; tips on preparing for and taking the PSI exam; and a useful glossary of more than 600 key real estate terms for exam preparation and reference.

## Customer Reviews

I took the online ProSchools course and learned absolutely nothing. I bought this book and the exam prep book and studied it for a month, took the actual PSI practice exam (\$20) then took my exams. I passed both the state and the national Real Estate exams on the first try. Worked for me! The exams question are similar and the content covered valuable. Just be aware that you will likely encounter at least 5-10% of the real exam questions as what I call "wild hair" questions. Meaning

they are bad questions, out of left field. Just expect that you won't know everything.

I purchased this and the Louisiana state study guides. It was the only study guides I purchased to pass the exams. I purchased it on Kindle so I could study on the go without the bulk of a book. The guide is easy to use and very efficient. I was able to pass the tests on my first attempt.

I passed my exam after one try. My friend failed it 5 times, I finally gave her this book. I think it prepared me to think critically. Worth reading and do the test questions in the other book.

This book WILL help you to pass the national exam!! Go through each practice exam. I did not know any of the material, but learned it from this book. Very helpful.

This was not helpful for the test. The terms were not the same as what was used on the national exam. The time spent doing these tests was wasted time.

Great study guide! I passed the exam on the first try!

Great help for taking the PSI, highly recommend

This book includes four exams with questions that helped me examine each one carefully before providing a response. When it came time to take the real estate exam, I read questions carefully as I had learned to do with this book and passed the exam!
