Customer Reviews

Daily Journal offers a vast array of beautiful, professionally designed journals, notebooks, diaries and planners for those who embody the creative spirit. Capture all of your thoughts, sketches, doodles, notes, to-do lists, goals, dreams and more, all in one inspired place! Happy Journaling!

I was a little nervous to buy this since it didn't have any reviews but I thought I'd give it a try. I am posting some pictures since you can't see what's important on the inside. I love the Fall schedule section and the weekly/daily pages. It's exactly what I needed. I had tried the panda planner before but it was far too cluttered. The only thing I didn't like was the feel of the cover. It's so soft it seems to leave a residue. But I made my own cover for it and problem solved. I'm sure other people will love it but just not my forte. It is sturdy and I expect it will last for quite awhile.

I love the material, it seems sturdy and has plenty of room for notes, which is great! I'm ready for the semester!!
