Odin's Ravens (The Blackwell Pages Book 2)

Synopsis

Seven kids, Thor's hammer, and a whole lot of Valkyries are the only things standing against the end of the world. When thirteen-year-olds Matt Thorsen and Fen and Laurie Brekke, modern-day descendants of Thor and Loki, discovered they were fated to take the places of the Norse gods in an epic battle against the apocalypse, they thought they knew how things would play out. Gather the descendants standing in for the gods, defeat a giant serpent, and save the world. No problem, right? But the descendants' journey grinds to a halt when their friend and descendant Baldwin is poisoned and killed and Matt, Fen, and Laurie must travel to the Underworld in the hopes of saving him. That's only their first stop on their journey to reunite the challengers, find Thor's hammer, and save humanity--a journey filled with enough tooth-and-nail battles and colossal monsters to make Matt and his friends a legend in their own right. Perfect for fans of ancient myths and filled with young heroes, monstrous beasts, and godly enemies, this fast-paced adventure is impossible to put down.

Customer Reviews

The struggles and determination of the characters are written extremely well. Having the stories told by each character adds that perspective into the story. As for the thirteen year old hero's, this struggle and real life, what do you decide to do with the situation that you are given. Can not wait to read the final book in the series.

This was for my 13yr old son and he LOVED the series.

it came in great shape but i was expecting a hard copy this was a paperback

Book in excellent condition.

The author made the book interesting and kept the plot together nicely. They also kept the book clean of profanity.

Great authors, great writing, great story. Can't wait to read the next one. My 12 year old daughter and I read them. I read all the adult books by Kelley Armstrong.

A perfect blend of Norse mythology and modern times. It helps you learn about Norse gods and Vikings while being a genuinely amazing book full of twists and surprised.

I love the writing style and that the story is base on the Norse Gods.will read all the books on this series.
