Customer Reviews

Perfect for my kindergarten who is learning how to read. This book has sight words and short sentences. However, the best thing ever is its Teenage Mutant Ninja Turtle themed! My son is obsessed. So, this is a great way to get him interested in reading. I hope they continue with level 1 and 2 books!

Bought this book for 2 reasons. 1. My son and husband love TMNT. 2. My son could dress up as his favorite book character so of course had to buy this. My husband and son love reading this book at night

Great book, my four year old is crazy about it. He is reading!!!

As advertised

Good, simple story for level 1.

The little boy loved the books.

when I first read the book is really liked it. It especially liked it when the turtles tried to do something nice for their NINJA DAD! master splinter is such a good father and teacher to them

It's a nice cute story to read for the kids.
