Change Of Heart: Best Laid Plans, From This Day

Synopsis

New York Times bestselling author NORA ROBERTS will delight with these two classic tales of love meant to be! Best Laid Plans Abra Wilson had met men like Cody Johnson before—charmers who could make a woman's heart rise and fall, and smile their way out of any situation. The overconfident East Coast architect fits the bill perfectly, and Abra has no plans to fall under his spell—no matter how distracting he might become. Fortunately, Cody has plans of his own that not even Abra will be able to resist! From This Day When B. J. Clark, manager of the Lakeside Inn, meets the new owner, Taylor Reynolds, she is fully prepared to dislike him. She fears that he plans to transform her lovely, sleepy old hotel into a resort for jet-setters. But when sparks fly between them, B.J. finds herself torn between her professional antagonism and her growing attraction to the man she had sworn to despise.

Nora Roberts is the #1 New York Times bestselling author of more than 200 novels. She is also the author of the bestselling In Death series written under the pen name J. D. Robb. There are more than 400 million copies of her books in print. Chris Lane has worked in professional horticulture all his life both as a nurseryman, currently production director for Coblands Nurseries Ltd., and also as a lecturer at Hadlow College, Kent, England, where he first became interested in witch hazels. He started collecting them seriously after the cold winter of 1979–1980. Chris is a long-serving member of The International Plant Propagators' Society, becoming international president in 1995. He serves on the Woody Plant Trials Committee for the Royal Horticultural Society and on the

committee for The Horticultural Development Council representing the Hardy Nursery Stock Industry.

This book has two of Nora's previously published stories. I liked the first one, but couldn't get through the second. I knew that since they were short stories the romance had to happen quickly, but it was just ridiculous in "From this Day". He was her boss and was all over her. She wasn't even sure she was attracted to him. Plus, he was domineering and controlling. The heroine was a bright, funny lady, and I didn't want to see her ruined by him

enjoy this author

Great read. Nora never disappoints.
