In The Maine Woods: The Insider's Guide To Traditional Maine Sporting Camps (Revised And Expanded)

Synopsis

Part of a 150-year tradition, Maine sporting camps are typically family-owned affairs with a central dining lodge serving home-cooked meals, and individual rental cabins set along a lake shore. Scattered throughout the state, no two camps are exactly alike: some are easily accessible and offer a full range of outdoor activities for families; others are deep in the Maine woods, ideal for a fishing retreat. This reference, containing factual details and stories, is a guide to these increasingly popular wilderness hideaways. At-a-glance headings describe how to get to each camp, what to bring, rates, and a description of the facilities and accommodations. The book also features interviews with camp owners.

Book Information

Paperback: 271 pages

Publisher: Countryman Press; 2 edition (September 1998)

Language: English

ISBN-10: 0881504173

ISBN-13: 978-0881504170

Product Dimensions: 9 x 6 x 0.7 inches

Customer Reviews

Arlen's massive work will be the authoritative text that captures the essence of this unofficial institution for years to come. -- The Maine Sportsman if you have an urge to live the way life should be, if only for a few days, then by all means track down a copy of In the Maine Woods. -- Tom Hennessey, Bangor Daily News

Alice Arlen, formerly the outdoor writer for the Maine Times, is the author of Half a Mind: Hashing, The Outrageous Sport and A Taste of Hallowell. She lives in Bryant Pond, Maine.

I purchased this book approximately 3-4 years ago. This is the best reference book you can find for reviewing Maine Sporting Camps. Unfortunately, with the economy and seasonal business of these

sporting camps, many have gone out of business, and there is no updated book stating the camps that are "no longer." This is a great starter book/reference if your planning a vacation in Maine, but you need to contact the camp in the book to confirm they are still in business.

since I used to work in a Maine sporting camp this was a trip down memory lane!
