## Customer Reviews

My husband is going to real estate school and wanted this for a quick reference. He uses it also just for quick learning fun. Good price.

Great deal

Love it very helpful

Instantly useful as an at-hand reference guide. Base definitions are enhanced with concrete examples and the inclusion of flowchart diagrams and illustrations, giving it an additional textbook quality. If you are in, or associated with, the profession; this absolutely belongs on your shelf or desk.

Must have, even with the internet you can't beat this for referencing RE terms.

It was a great tool as I studied for my state test!!!
