The Falklands War (Cinebook Recounts)

Synopsis

In 1982, conflict erupts between Great Britain and Argentina. Argentina decides to seize the Falkland Islands, occupied by the United Kingdom since the beginning of the 19th century. On April 2, an island landing of Argentine forces succeeds, taking the government of Margaret Thatcher by surprise. Argentina asserts its sovereignty over the Islands. While hoping for a diplomatic solution, No. 10 Downing Street prepares a large-scale operation to regain control of the Falkland Islands. Along with the use of traditional combat techniques, these operations also provide an extraordinary test of modern electronic weaponry.

Customer Reviews

In 48 pages, this graphic history concisely summarizes the Falklands War for younger readers who may have no remembrance of it at all. The clear line art provides documentary-like aspect.

Awesome

Not well done. Numerous errors in spelling and use of military terms. Colorful illustrations. Lacking in facts which would have added to understanding of the actions during this war.
