Customer Reviews

I love these gentle and moving stories. They are appropriate for pre teens on up. I enjoy the religious references which are woven into the stories and make so much sense. I can't wait to start the next one.

This is a quick read with not too much depth. Most stories are very predictable, and these books should have been proofread as there are a number of spelling mistakes.

GFast read, fun stories, good information on the Amish way. Light and easy. Good,clean stories.Love the HAPPY endings.

These books were very well written. I enjoyed them very much. Thank you. Ruby Hanson
