# The Wise Relationship Adviser - How To Solve Problems Between Partners In Your Everyday Life: Multipurpose Handbook Of Relationship Improvement Ways

## Synopsis

If you want to improve your relationship or learn something new in this field, this book is for you. If you want to be wiser and smarter and behave like an adult instead of being like a teenager, this book reveals secrets of doing that. There are so many situations, so many different personalities but we can find some commonly encountered problems which happen to many people. This book contains 23 relationship problems and questions with the ways to solve them and answers. Both men and women can find tips there. We have the differences between genders but it is not very important here – in our life. Why? Because we all have the same communication problems, and suffer from pain, and have doubts how to behave oneself or how to make things right. We all want to have a good relationship and be able to make a right choice in our everyday life. If you want the same, this book will help you. Reading helps you to understand better female and male style of actions and the differences between our perceptual psychology. For more detail, you can read 'Introduction' to the book. It is available for a free preview. Have a good time!
