I think this was personally a very informative guide on Greek Spartan methods that exist back in the day and how it helped people learn self-discipline and apply it to their lives and their decisions. I learned a lot how strict it was back in the day and how people were so hard on themselves just to be stronger and how the soldiers were so disciplined. This book has a lot of in-depth methods and techniques that are really helpful to anyone who wants to learn more. It helps you with your path to self-discovery and awareness and achieve healthier living. I learned that their special kind of discipline and higher than most people is required of the people of Sparta to be part of their army that's why they were so strong. I think this book teaches the methods of disciplines as well as history of Sparta.

Reading books like these are so inspiring and motivating at the same time. The author discusses here the Spartans way of imposing discipline to their selves. It is truly inspiring knowing how brave these men are. I know that Self-discipline is one of the most important and useful skills everyone should possess. Learning self-discipline starts within yourself indeed and should be responsibly handled especially when you're confident and could deliver what you were trying to imply on explaining yourself. Totally worth the purchase.

Self discipline is the most important part of our life. Without discipline there is nothing in the universe. If you can make a great disciplined life, you will obviously become successful. Everyone will follow your path. This book is exceptional for its techniques about making your life self disciplined. It has the information about the Spartan Transformation, a powerful method for quick life change. It has helped me a lot to change my life. I highly recommend this book to you all. Thanks to the writer for giving us a great helpful book.

Spartan way is a beautiful way. If you look on how they live their daily lives, you will discover how self-disciplined are the Spartans and you will learn so much from them. From the simplest thing in life to the most important matter they apply the value of discipline. In this book, you will find great

advises about life, perspective, self awareness and a whole lot more; the Spartan way, that you can practice everyday. And if you truly do it by heart, you can see amazing results eventually. Truly wonderful!

Reading the title of this book makes me so curious and at the same time, I am hoping that I could learn something from it. I want to improve my self-discipline so badly. Reading this book inspires me to start my physical fitness. Before I am having a hard time waking up early in the morning for a run, but now, I'm really glad I purchased this book. Now I am working on my courage and resilience since my mental fitness is already great, just need to continue improving it as long as I'm alive.

Reading this book has been beneficial to me because I learned how I can improve my self discipline more. The author discusses here the Spartans way of imposing discipline to themselves. It is truly inspiring knowing how brave these men are. I got a lot of new points to remember here that I believe I can use in the future. What made me more hooked on reading this is the way the contents were provided because they are simple and easy to understand. I'm satisfied getting this book!

Self-Discipline is the first step you have to take if you want to achieve a successful life, without self-discipline you won't get too far on something that is a real long path. Exercise is one of the best things to do, if you're physical healthy, your mind will be healthy as well. Then start to give the best nutrients and vitamins to your brain and you'll be unstoppable like the spartan warriors.

This is the guide that will pull you out of your comfort zone. It encourages the development of a good attitude and mindset towards work and a successful life through transformation through by an ancient Greek spartan lifestyle. I learned about their diet, nutrition and living through life rules taught by ancient warriors.
