Bought the map for my trip to milan thinking a laminated pop out map would be helpful. I didn't think

it was detailed enough to get around on the streets. I found the paper tourist maps given out by the hotel at check in to be easier to use around town.

Love the popout maps. Very convenient when you're discovering a new city and don't want to lug a huge map with you.

Nice and very handy Map.

Easy to carry and accurate

great map

We were in Milan for a day and a half. While the map was correct, it was destroyed by the 2nd day

I have a child who went abroad and said this actually came in handy!!!

Everyone seemed to like these popout maps
