We recently moved to Tucson and this book is very comprehensive and informative. I especially enjoyed some of the restaurants recommended in this book. Great food for a great price! A must-have for anyone moving or vacationing in the area. My only regret is that it didn't have more pictures or color.

This is a very helpful book to buy when planning to visit Tucson. It is very well laid out and has detailed information including hours of operation, prices, etc. Prices are even included for eating establishments. We were able to plan each day's activities from the book!

A good, basic guide to Tucson and its environs. Fairly comprehensive, well written and accurate. The ink is very pale and so it is not very easy to read from a design/layout point of view.
