# The Human Services Internship: Getting The Most From Your Experience

## Synopsis

An excellent tool for self-assessment and analysis, **THE HUMAN SERVICES INTERNSHIP: GETTING THE MOST FROM YOUR EXPERIENCE**, 4th Edition integrates classroom learning with fieldwork. Covering information from the beginning to the end of an internship, this practical, hands-on book engages readers in a process of thinking and reflection--helping them analyze different experiences and situations they encounter day to day in their field work. A unique six-step model guides readers in enhancing self-awareness, integrating the knowledge and values of the profession, recognizing challenging and dissonant situations, decision-making, and follow-through.

## Customer Reviews

"I was very pleasantly surprised by how much I like this book! It's really exceptional in its completeness and timeliness. It is well written, easy to read and understand, full of examples and exercises, and very relevant for our students right now." "I really do like the book. I think it is clear, well written and follows a developmental approach of what students experience in field."

Pamela Myers Kiser is the Watts-Thompson Professor of Human Service Studies at Elon University, where she has been a faculty member in the human service program since 1981. She was recognized as an outstanding teacher in 2007 as the recipient of the Daniels-Danielly Award for Teaching Excellence at Elon. In 2010 she was named the fourth Distinguished University Professor in Elon's history. Recognized for her expertise in experiential education, she has received awards at

the state and national levels for teaching excellence in service-learning, and has presented at internship and service-learning conferences across the country and internationally. Additionally, she has provided consultation to colleges and universities both nationally and internationally on internships and service-learning. She holds a B.A. from Wake Forest University and the Master of Social Work degree from the University of North Carolina at Chapel Hill.

Good read for college.

Yes, this book definitely goes along with my Human Service internship experience. The exercises consist from your experience and things you have observe during your internship. As well as, make you think of ways to improve your organization service or the way you work with a client. I enjoy reading the student reflections because it gives good realistic examples.

I suggest you read this book is quite expensive

It came in perfect conditions. You have to be careful because the cover can break easily. But besides that, it is a really good book. It's like a guide that teaches you the basic things of an internship to the more professional standars than you have to follow.

Very informative book, definately necessary for the intern going into any field.

Not as resourceful, speaks more about communication with site supervisor. There is nothing in the book that assisted me, I got more useful tips online.

School required text book. Decent enough

As a student social worker, I found this book to be filled with practical knowledge. It makes writing up my Analytical Report for my final year much easier to do and comprehend. The book itself was clean, no highlighting (which makes me annoyed) and I'm very pleased with this. Would purchase again. Thank you.
