One Hundred Tears Away: A BWWM Billionaire Romance

Synopsis

Some wounds only love can heal ...Naomi King's family abandoned her when she was a pregnant teen. After surrendering her child for adoption, she's spent the last fifteen years building a life, away from her family and the rest of the world. The last thing she expects is for her past to explode into her life. Maxwell Reese is worried about his teenage daughter Josie. Now that he's divorced, she faces the burdens of being adopted, coming from a broken home, and not really fitting in anywhere. Determined to help her find a sense of identity, he seeks out Josie's birth mother. When Max and Naomi meet, the instant attraction between them leads to an unexpected and tumultuous romance. But Naomi's past won't let her lower her guard, and Josie isn't ready to open her arms to a new mother. Can they build a family from the shattered fragments of their lives? **** This is a standalone Novel with a HEA **** Your copy of "One Hundred Tears Away" (approximately 50,000 words) includes a BONUS BOOK by Raven Rivers

Customer Reviews

Enjoyed each story. Although the first one was the best. There were a few grammatical errors but

the stories still flowed nicely.

really enjoyed it a good read!

That was a good love story! Naomi King is a black woman with a terrible past behind her. An unexpected pregnancy when she was just a teenager, an unsupportive family and the final decision to give up the baby. Now, fifteen years later, Naomi has made a life for herself, building her own future and keeping herself apart from the rest of her family, and the world. Maxwell Reese and his wife adopted a baby girl when they couldn't have children of their own. The baby is of mixed race. She's not white so she doesn't fit into Max's world, and she's not black so she doesn't fit in there, either. The relationship didn't work out but Max got to keep the child. She's already adopted, and now she's in a broken home, too. With the added race issues she has to deal with Max is terrified that it will cause problems for Josie in these crucial teenage years. He decides to find her birth mother to show her where she came from. When Max and Naomi meet it's at an accident scene and chance throws them into each other's arms. What should have been a meeting about Josie turns into a romance that neither of them expected. But Naomi has her past haunting her, stopping her from committing properly, and Max has the terrible secret that it wasn't fate that brought them together, but a social worker. When Josie and Naomi meet one night where everything goes wrong, it looks like Max's plan blew up in his face. But maybe, just maybe, the unfortunate series of events can have a good outcome for the three of them. Love, friendship, and closure are all born from tragedy, proving that happy endings still exist.

With all that happened to Naomi, I am glad she came out on top. When I was 18 I was date raped. I couldn't tell anyone because I felt it was my fault like Naomi. I still feel that way. I am glad she reunited with her daughter. Josie was a wonderful girl. Max was a great dad. Naomi's mom is a typical "care what people think" mom instead of her daughter's happiness and well being. Sometimes people don't believe you and you are out there all alone. Like her mom, they say you wanted it and you shouldn't have opened your legs. This is a good book.

I went from happy to sad to mad to happy again.. I loved this story. I recommend you read this book

to find out the wonderful story about Max, Naomi and Josie. Thank you Ms Watkins.

This a very touching story about a divorcee who has an adopted biracial child who is fifth teen years old and is having a hard times fitting in. He de ides to look up the daughter's biological mother and proceeds to fall for her., in spite of the different problems and obstacles love prevails.

I really enjoyed the storyline for Max and Naomi's story. Though I think seemed unconventional, it really was a good romance story with enough twists and turns to keep you interested. Glad to see Max,, Naomi and Josie become a happy, healthy family

It was a great book. I laughed I cried. I want to know what's going to happen with Josie and the future. I know it's going to happen with Max and Naomi and their new babies. Can't wait for the next book
