Ethan Coen And Joel Coen: Collected Screenplays 1: Blood Simple, Raising Arizona, Miller's Crossing, Barton Fink

Synopsis

These four early works by the internationally lauded filmmaking team deal with the subject for which they are best known: corruption and crime in situations that combine the real and the surreal with the hilarious. Of the scripts included here, Barton Fink--an intense look at the psychological ruin of a New York playwright trying to make it in 1940s Hollywood--is a masterful culmination of these themes.

Book Information

Series: Collected Screenplays

Paperback: 288 pages

Publisher: Farrar, Straus and Giroux; 1st edition (October 15, 2002)

Customer Reviews

Ethan and Joel Coen have made nine critically acclaimed films together. They received an Academy Award for Best Screenplay in 1997 for Fargo.

What is there to say? Joel and Ethan Coen are some of the best screenwriters working in the business. This book is a collection of their first 4 scripts filmed on the big screen. Please note that the scripts don't appear to be the final shooting version of the scripts, because last night I was watching Miller's Crossing and Blood Simple back to back and I noticed how some dialogue was changed and some scenes were excluded completely. There is nothing wrong with this and is probably even better so you can see the raw ideas the Coen Brothers had of their stories before filming them. Each one of these scripts are great on their own, and it's amazing that they were written by two guys consecutively. Most writers couldn't write a script as good as Barton Fink or Raising Arizona, but these two brothers wrote them one after another. Barton Fink stands alone as

the best script in this collection in my opinion. It is the ONLY film to have swept all the major categories at the Cannes Film festival. In conclusion, If you are taking a film writing course in college, or aspire to be a screenwriter and need some inspiration, then this collection is truly tremendous. All four of these scripts are great. I believe there is a Volume 2 of this book, but I would only get it for Fargo and The Big Lebowski, whereas in Volume 1 all the scripts are good!

Excellent book for the fans of the Coen brothers

budding screenwriter was happy to receive it

This was a Christmas present for my brother who is studying screen writing and has really found this collection a helpful tool

Needed this

A terrific collection of stories providing an insight into interesting story techniques, and combining dark humor with suspense. Even if you just read one or two of the screenplays, it's worth it.

He was a big fan so I gave this to him and I guess he loved it but we aren't together anymore so I can't really remember...

Its the Coen Brothers. Shut up and read it. Then flog yourself for not being one scintilla the artists they are. Oh, and get your sister's diaper off your head.
