Received earlier than expected. Love it!

My niece loves it

My 4 year old has a massive collection of Little Golden Books, and also has a love for Doc McStuffins so I thought what better addition to her collection than this Baby McStuffins (Little Golden Book) Hardcover. It was a hit! Beautiful illustrations with a nice story line. This would be a great book for a family who is introducing the idea of having a new baby addition to their family. This is my first ever run in with Doc McStuffins before so I didn't know that her toys came alive, but it was a cute concept and a great before bedtime story.~Thanx~

Cute book. Great price. Love the goldenbooks and the fact that the hardcover keeps the books whole....well for a little while anyway! LOL. "Baby McStuffins" is about Doc learning how to take care of a new doll and preparing for a new adopted baby to join her family. It is perfect for any child whose is about to have a new sibling or for any "Doc" fan like my daughter, who has requested this book at least twice a day for several days now.
