Colloidal Silver: The Natural Antibiotic

Synopsis

The complete guide to the many uses and benefits of colloidal silver

- Explains how to use colloidal silver to boost immunity, reduce inflammation, and treat 80 common diseases and conditions, including eczema, acne, thrush, flu, asthma, hay fever, mastitis, canker sores, gingivitis, and conjunctivitis
- Details the correct dosages and applications of colloidal silver, including the proper “parts per million” (ppm) for acute treatments and daily use
- Debunks concerns about colloidal silver and argyria, the “blue man” phenomena associated with silver intake
- Looks at the latest scientific studies from UCLA Medical Center, Temple University, and other well-known institutions

Colloidal silver was widely used as a natural antibiotic and antiviral until the mid-20th century when its use was overshadowed by the development of pharmaceutical antibiotics. Now with the rise of antibiotic-resistant infections, colloidal silver has reentered the sights of medical researchers, alternative health practitioners, and those looking to take control of their own health. In this practical guide, the authors explore the many uses and benefits of colloidal silver for boosting immunity, reducing pain and inflammation, and treating more than 80 common diseases and conditions, including eczema, acne, thrush, flu, asthma, hay fever, mastitis, canker sores, gingivitis, and conjunctivitis. Citing scientific studies from UCLA Medical Center, Temple University, and other well-known institutions, they reveal how colloidal silver works against bacteria, viruses, and fungi, including strep, staph, and candida, often in a matter of minutes. They examine how it accelerates the healing of cuts and bruises and how it can also be used to treat our animal companions. They explore its use, with no side effects, in the treatment of diseases of the eyes, skin, mouth, respiratory tract, and digestive tract as well as in the treatment of cancer. Debunking concerns about colloidal silver and argyria, the “blue man” phenomena associated with silver intake, the authors detail the correct dosages and applications of colloidal silver, including the proper “parts per million” (ppm) concentration for each ailment and for daily use. They explain what to look for when purchasing colloidal silver as well as how to make it at home. They also explore the long history of silver in folk medicine, including its use by Hildegard von Bingen, and its use in homeopathy, crystal healing, anthroposophic medicine, and spagyrics.

Book Information

Paperback: 160 pages

Publisher: Healing Arts Press; 1 edition (February 11, 2016)

Language: English

ISBN-10: 162055500X

ISBN-13: 978-1620555002

Customer Reviews

“This is the most authoritative and insightful guide to the curative and healing powers of colloidal silver. The authors offer a practical and systematic protocol for addressing common acute and systemic complaints. A must for every household and health care practitioner.” (Vatsala

Sperling, MS, PhD, PDHom, CCH, RSHom (NA))
“This book is a complete, thorough, but very readable presentation of the wonderful antibiotic and anti-inflammatory properties of Colloidal Silver!” (Christopher Vasey, author of Natural Remedies for Inflammation and Optimal

Detox)
“Colloidal Silver is one of the cheapest and most effective home remedies I have ever used. I’ll be using this book as a reference guide for many years to come.” (New Dawn, Sandy Brightman, May 2016)

Werner K f hni is a naturopath and psychotherapist with training in homeopathy, healing stones, and essential oils. The author of several books, he lives in Germany. Walter von Holst is an expert on crystal healing and runs the Steinkreis center in Stuttgart, Germany, which offers courses on stones, crystals, and holistic health.

One of my favorites on colloidal silver books.

It's clear and informative. Gives one some do's and don'ts, as well as suggested dosing and history. Recommended !

A MOST interesting and HELPFUL read. It's FAST and Precise. Good references and results. Don't leave home without this.

Good information

Great product!

No problems, would use this service again.

Good stuff. People need to read this book. I purchased them to resell.

This was a gift and the receiver was very pleased with it. Lots of info and references.
