I love Garth Brooks. I just got started on the guitar and since Garth Brooks is my favorite Country Artist, I jumped at the purchasing this book when I came across it on . And since it did say it's an "easy guitar tab," I thought, what the heck and was super excited. Unfortunately, I was rather disappointed that it didn't really sound like his songs.... not recognizable as I thought it would be. Bummer. I ended up returning it. Sorry Garth. :(

Love this publication. The music is not simple, but it is excellent if you have a bit of talent and commitment!

The tablature is very simple, and an experienced guitarist would find the music easy. But I am just beginning so it was harder than I could play. But it shows me just what I need to do when/if I finally do learn enough to play songs. I really like having this book.

I am a 4th year guitar student and I have to say that I really don't care for this book. Not only is it not as easy as it could be but it has all the same songs another Garth Brooks easy guitar has here on .

This is a great Garth Brooks book to get if you play the guitar and absolutely love Garth Brooks, like I do. It features some of Garth's greatest hits like The Dance, Friends In Low Places, and The Tunder Rolls. It is such a great book, Don't pass it up you can't live with out it. Well, I hope you liked my review, thanks for reading it. Bye.

This is a must for any fan of Garth Brooks or any player of the guitar. "The Best of Garth Brooks" contains some of my favorite songs and offers many hours of playing enjoyment.

A lot of favorites made it easy to find the songs my sons were requesting. Easy to read and follow.

If you play Guitar (Or even If you don't) This is worth it!
