Great condition! So excited to hang it up on my wall!

I think those two words kind of sum up everything for me, don't you think?

Oh,wow.

Like it

Great Issue, which they still made them like this one.

This was just PB Magazine having nothing for there Feb '01 Issue so they dug out old Anna Nicole Smith pics and published the February 2001 Issue with Anna Nicole on the cover The Vince McMahon/WWF XFL Interview is interesting and telling in some ways but, you can find the interview online By the start of the 2000's you could tell Playboy magazine was really getting cheap and had no real interest in there magazine There brand is a whole different story If you are a collector it's a must own I guess (Then again by the time they hit the new millennium PB as a major publisher was dying)

Torn, old, and has obviously been whacked over way to much

Great condition.
