NIV, Kids Study Bible, Hardcover

Synopsis

The bestselling NIV Kids' Study Bible starts early readers off right reading and studying God's Word. This colorful, easy-to-read edition engages kids with its winsome combination of full-color artwork by Joel Tanis and complete NIV text. And kids will love the simple, fun study aids, designed to help youthful minds explore the Bible in a way that makes it stick. • "Check It Out" helps kids imagine what it was like to live in the times of Moses, David, Jesus, and Paul. • "Brain Game" challenges them with fun questions that bring key Bible truths home. There's plenty more besides, all designed to make Bible study something children love, learn from, and keep as a lifelong habit. With its vivid, full-color pictures and simple language, the bestselling NIV Kids' Study Bible is the perfect way to get early readers digging into God's Word for the first time. This Bible uses the complete text of the New International Reader's Version (NIV for kids!), written at a third grade reading level. Features include: • Check It Out: sketches and descriptions of what life was like in Bible times • Brain Game: questions to help kids remember important Bible themes • Soak It up: key verses highlighted for kids to memorize • Book Introductions: brief overviews of each book with an outline of key events • Full-color pages illustrated by artist Joel Tanis bring Bible characters and events to life. • Single-column format for easy reading

Customer Reviews

How can small readers build big faith? By using the study Bible made just for kids. It's perfect for young hearts who want to discover what the Bible is all about--the people, places, and events it contains, what it teaches, and how to obey it. The NIV Kids' Study Bible features the complete, revised New International Reader's Version, an accurate, easy-to-read children's translation drawn from the best-selling New International Version. The short, simple words and sentences make this translation ideal for beginning readers. But the NIV Kids' Study Bible is more than easy reading. It offers introductions to the books of the Bible, full-color artwork, Life in New Testament Times study feature, Look at This notes that describe tools and objects of the Bible, Think About This study questions, Remember This memory verses, and a Bible dictionary--all in one attractive study Bible created especially for a grade three reading level and up. --This text refers to an out of print or unavailable edition of this title.

NIV's New International Reader's Version®; The easiest translation for kids based on the most read, most trusted NIV; Written at a third grade reading level, the NIV translation uses simple, short words and sentences that are easy for kids ages 6-10 to understand; Great for beginning readers, first-time Bible readers, and readers for whom English is a second language This revised edition of the best-selling NIV Kids' Study Bible uses the complete text of the New International Reader's Version® (NIV's the NIV for kids!) written at a third grade reading level. The single-column format, for easy reading, makes this a perfect first study Bible for young readers. A new interior design, updated study helps, and twenty-four, kid-friendly, full-color tip-in pages by artist Joel Tanis are great for keeping kids ages six to ten engaged in a time of personal Bible study. Features include: "Check It Out": line art sketches and descriptions of what life was like in Bible times; "Brain Game": questions that help kids remember Bible themes; "Soak It Up": key verses are highlighted for kids to memorize; Book introductions: brief overview of each book with an outline of key events; Single-column format with multi-color interior

Love love love this bible! I asked my daughter's elementary school teacher for a suggestion because she ran an after school program called God news club. My son needed a bible for his summer camp through our church. Needless to say? Loved this one. Easy for him to understand, nice illustrations. I'd give it a 10 if I could!!!

The Kids' Study Bible is an excellent resource for early readers. It is not just a story book, but is the actual Bible in a version that is easy for elementary aged children to read and understand. At the beginning of each book of the Bible there is an overview explaining what the book is about. Throughout the Bible there are "Brain Games" where questions are posed so that children are led to think about the text. There are also "Check It Out" and "Soak It Up" sections. Colorful illustrations of favorite stories enhance this child-friendly Bible. Both children and adults who work with children will love this Bible!

I loved the Bible itself. Plenty of illustrations and easy words for the kids to read. The only downside was the binding. I attend a graduate school via online class option and ordered great numbers of hardcover books both from and others since my undergrad. This one got the worst binding quality I've seen. Despite the book is pretty thick and heavy, the inner paper which holds and combines the hard cover to the content pages didn't mean to work properly, and completely torn out on both front and back to reveal the glue underneath. In other words, the cover and content pages were almost torn apart. I had to use my box tape to bind them, or you just lose the covers to carry just the content pages.

Tiny words and seems far too complicated for my 6 year old

I really like the bible, bought one for my 6 yr old boy and 8 year old girl, and they are really enjoying it, however I did not notice when I purchased this bible that Jesus' words are not in red. If it said it in the description, I must have missed it. Would have been 5 stars if not for the lack of red letters.

Perfect bible for my young child. It has very large print, and makes learning easy in the Nlrv. The only downside, the kids are learning NIV from Awana's and their bible verses don't match exactly (word for word) - BUT - as I explained to my 8yo, we can learn NIV, then re-read it in Nlrv which helps with understanding the more advanced words.

Not for "carrying to church" (it is big) but this is a GREAT bible and not just for kids...we love it in our home and I have to agree with nearly everyone else - the art work is wonderful!

My 1st grader wanted a Bible that's easy enough for him to understand. So far this is working really well for his bible study. A good in between bible. He was ready for an almost big kid bible. He

wanted to be able to find any verse we were looking up and this works for that.
