Had this book, gave to my grandson and I hadn't seen it since.....I liked this book so much,, I ordered it from you and it is a beautiful copy .Thank you!

Beautifully photographically illustrated, this book contains a wealth of information for students of

Egyptology and tourists.

An excellent book. Rich with illustration and meaningful text. Not just a shallow exploration of the subject, yet arranged cleanly like an encyclopedia.

This is a good book on Egypt. It explains somethings we knew and somethings we didn't know. If you want to get the basic for understanding Egypt this is the book to get. It has very nice pictures.

Anything you want to know about Ancient Egypt, its' history, etc., is in this book. Not only is the written history of Ancient Egypt in this book, but there is absolutely gorgeous photography as well. I highly recommend this book.
