Customer Reviews

Æ Anne Geddes is one of the world's most respected and acclaimed photographers. Her classic images of newborns grace greeting cards, calendars, books, stationery, and photo albums. With two New York Times best-sellers to her credit, Anne has enjoyed worldwide critical and public acclaim.

I have purchased or received the Anne Geddes Wall Calendar for years (I have a pile of them because I KNOW I will use the adorable pictures for something some day). I love the sweet baby pictures, but the calendar itself has large spaces for each day and can fit all of the events for my busy family.

It's Anne Geddes. Need I say more?

This was a gift to my daughter and family. They love going to the beach (especially Hawaii) and I thought this would be a big hit as they are expecting their second child in December. They loved it!

:)

Have been buying this item for so many years. Anne is an amazing photographer and the babies are just too adorable. She has a unique eye for placement and brings me joy each month as I turn the page.

Had all the days!!!!

Every year I buy an Anne Geddes calendar and this year was no different. I LOVE this calendar and look forward to turning the pages every month. So cute! :)
