Customer Reviews

Holt Chemistry

It is for my daughter, and the book is very big, with illustrations, the periodic table is in it (obviously).

The book was great- the condition was as described.

Book condition was exactly as it was posted. Price is worth supplier's service.

Bought used but looked basically brand new!

When I took my class I found the information to be a bit convoluted.

El libro en perfectas condiciones!

Excellent condition

ThanksGeorge
