A Christmas Eve To Remember An Inspirational Story Of Secret Love And Second Chances

Synopsis

Haunted by guilt, over a past relationship, Samantha finds forgiveness. An inspirational story of the excitement of Christmas, secret love, and unexpected miracles. It wasn't that Samantha meant to keep her romance a secret from her dad. She knew that he would not approve of the man she had chosen to love, and planned to marry. One snowy Christmas Eve, she made a decision that she would live to regret. Dreams haunted her nights, until she moves on with her life. Years later, just when her life is going well, a high school intern, named Beth, comes to work at her company. Samantha is confronted with her past. Beth, the intern, has her own set of problems. Samantha sees an opportunity to keep Beth from making the same mistake she made. Emotionally, especially at Christmas, she does not feel that she can go back down that path of hurtful memories, just to help this young girl. What would she gain, drudging up the past? But, Tracy, Samantha's best friend, feels that God has crossed their paths for a reason. She encourages Samantha to use her past experience, to help this young intern, before she does something she will regret. By helping Beth, Samantha discovers healing for her own heart, on another Christmas Eve, she will never forget.

Customer Reviews

I LOVED this story and wish it would have included the 'talk' with Beth's Dad. This was the kind of story that could have been a real life story. I started reading it and couldn't put it down until I was done. Thanks for the wonderful story Varzette Harris. Keep up the great job. The book was such an easy read and so well put together!!!!
