# I Hate Everyone But You: A Novel

## Synopsis

"Give to fans of Robin Talley's *What We Left Behind* or Rainbow Rowell's *Fangirl*." -School Library Journal (Starred Review)  
Dear Best Friend, I can already tell that I will hate everyone but you. Sincerely, Ava Helmer (that brunette who won't leave you alone)  
We're still in the same room, you weirdo. Stop crying. GSo begins a series of texts and emails sent between two best friends, Ava and Gen, as they head off to their first semesters of college on opposite sides of the country. From first loves to weird roommates, heartbreak, self-discovery, coming out and mental health, the two best friends will document every moment to each other. But as each changes and grows into her new life, will their friendship be able to survive the distance?  
*I Hate Everyone But You*, the debut novel by two emerging major talents in YA, Allison Raskin and Gaby Dunn, is a story about new beginnings, love and heartbreak, and ultimately about the power of friendship.

fabulous, confusing year on your own in college. Hard enough, but try doing it separated from your dearest friend in the world. In this epistolary novel, you live day by day with Ava and Gen, deep inside that friendship, so deep, it feels like it's *your own.*" -Francine Pascal, bestselling author of the Sweet Valley High series

Allison Raskin & Gaby Dunn are two best friends who live in Los Angeles. They started the comedy YouTube channel Just Between Us in 2014 and have since then spent far too much time together. Gaby's journalism has appeared in pretty much every major publication and Allison has written some really funny group texts with her family. They hope to die within one hour of each other so neither has to plan a funeral. *I Hate Everyone But You* is their debut novel.
