Synopsis

Do you want to transform your dull and tired old home into something that is exciting and vibrant? Would you like a professional look, without spending big on an interior designer? For most people, hiring an expensive interior designer to give their home a makeover is out of the question. So, what do you do to get the look you've always wanted, without breaking the bank. Interior Design: Customize Your Home is the answer to your problems. Inside, you can learn many of the tricks and tips that professionals use to enhance any home, without spending beyond your budget and chapters include advice on:

- The secrets of professional interior design
- How to do it when your budget is minimal
- How to make the most of any space
- Making your home a visual paradise
- How to work with professionals when you need them
- And lots more

This comprehensive book on interior design gives you step-by-step answers on how you can transform your home from the dull and boring thing it was, into something truly stunning. Perfect for beginners, Interior Design: Customize Your Home details each stage in simple language which will turn your home into a place you will fall in love with all over again.
